

## USDA BioPreferred Program

049000 EVO-100™ USP-NF/FCC Propylene Glycol (Excipient/Food Use Only)

049020 Biobased Propylene Glycol Industrial Grade

The United States Department of Agriculture (USDA) BioPreferred program approved Archer Daniels Midland Company's application for use for the USDA Certified Biobased Product Labels for the listed products. The product test results indicate the percentage of biobased content to be 100%.

The USDA Certified Biobased Product Label remains in effect as long as the product is not repackaged, reformulated or the biobased content changed.

If you have any questions, please do not hesitate to contact ADM Technical Services.
